

# AGA CERTIFIED PRODUCT

## WaterMark Licence

The Australian Gas Association (AGA) hereby grants

### *Specialist Washing Company Ltd T/as WuduMate*

*PO Box 541, Egham, United Kingdom*

the "Licensee" the right to use the WaterMark for products only as described in the Schedule of this document set and which conform to the relevant Standard(s).

The particular **PLUMBING PRODUCTS** specifically described in the attached Schedule have been assessed by the AGA to comply with the requirements of the AGA's Product Certification Scheme for Type Tested Plumbing Products and this Licence is issued on the express conditions that:

- (i) The Licensee undertakes to comply with the Rules Governing The AGA Certification Scheme for Type Tested Plumbing Product (hereafter called the *Rules Governing*);
- (ii) The Licensee undertakes to comply with the terms of the APPROVED USER AGREEMENT FOR THE WATERMARK CERTIFICATION SCHEME throughout the currency of this Licence;
- (iii) This Licence document remains the property of the AGA and must be returned to the AGA upon request; and
- (iv) The AGA reserves the right to cancel this Licence in accordance with the *Rules Governing*.

**Note 1:** The WaterMark is a registered trademark of the Australian Building Codes Board (ABN 74 599 608 295) and is issued under licence by The Australian Gas Association.

**Note 2:** This Licence document is also an AGA Certificate and the Licensee is by default an AGA Certificate Holder.

**Note 3:** This Certificate is issued by a JAS-ANZ accredited certification body. The ABCB and JAS-ANZ do not in any way warrant, guarantee or represent that the product the subject of this Certificate conforms to the WaterMark Certification Scheme Rules, nor accepts any liability arising out of the use of the product. The ABCB disclaims to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages and costs arising as a result of the use of the product(s) referred to in this Certificate

Plumbing products identified by the following model descriptors may be marked with the Watermark Licence number attached to this AGA certification. This Schedule supersedes all previous versions issued under this certification. If necessary, please refer to the AGA website or office for further information or product clarification ([www.aga.asn.au](http://www.aga.asn.au)).
