WuduMate Classic

Product Code WM-CLAS

The WuduMate Classic is an easy to install, virtually indestructible wudu unit providing comfort and dignity to Muslims performing pre-prayer ablution. This ablution facility is CSA Group certified (Canadian Standards Association Cert. no.301439) and its durable construction has been thoroughly tested. CSA certification is a North American quality standard recognised worldwide, providing the purchaser with peace of mind about manufacturers' labour practices as well as product safety, quality and longevity.

Suitable for use in Islamic centres, homes and multi-faith and prayer rooms in commercial and public buildings, .

The WuduMate Classic comes complete with a choice of high-quality WuduMate taps specifically designed to ensure that the spout is in the most comfortable position for wudu and at the right angle to minimise splashing, McAlpine waste and fixings.

Colour White

Material Sanitary-grade, reinforced acrylic

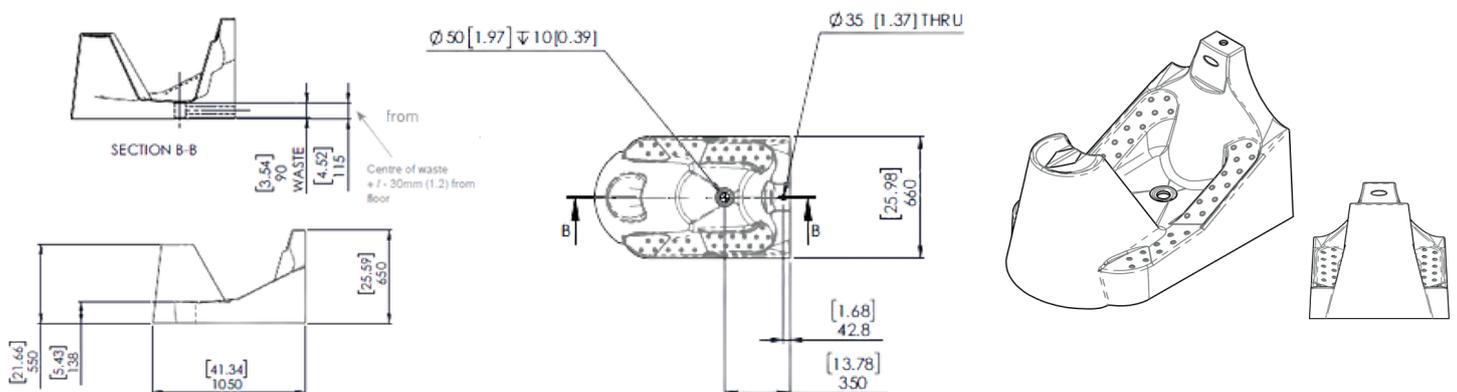

Weight Net (18kg) 40lbs Gross (21kg) 46lbs

Carton Size mm: (L1070 x W720 x H680) inches: L42.11 x W28.35 x H26.77

Special Notes 'Water-in' and 'waste-out' through either floor or rear of the unit, negating the need for sub-floor access.

Ensure the protective trim along the unit's base is removed prior to installation. Failure to do so will void warranty.
