WuduMate Compact Acrylic

Product Code WM-COM-A

Ideal for use in the home and commercial or municipal settings where space is limited, the WuduMate Compact Acrylic wudu basin with stool, provides a safe and comfortable facility for adults, children and wheelchair users to perform wudu, the Muslim pre-prayer ablution ritual. This ablution facility is CSA Group certified (Canadian Standards Association Cert. no.301439. CSA certification is a North American quality standard recognised worldwide, providing the purchaser with peace of mind about manufacturers' labour practices as well as product safety, quality and longevity.

Its lightweight construction makes the WuduMate Compact Acrylic easy to install in places with awkward access, and ideal for transporting to remote locations by air courier.

The WuduMate Compact Acrylic comes complete with fixings, McAlpine waste, specially designed WuduMate taps to minimise splashing, and a moveable stool, which fits neatly over the unit when not in use.
