WuduMate

Compact Stool

Product Code WM-COM-STOOL-SS

Designed for use with the WuduMate Compact footbath when performing wudu, the Muslim pre-prayer ablution ritual, this stool has a unique, cantilevered design which provides comfort and safety for the user.

The WuduMate Compact Stool fits neatly over the wudu unit when not in use, and so is ideal for home bathrooms. Other suitable settings include multi-faith rooms and prayer rooms in commercial and public buildings, Islamic centres and mosques where space is limited.

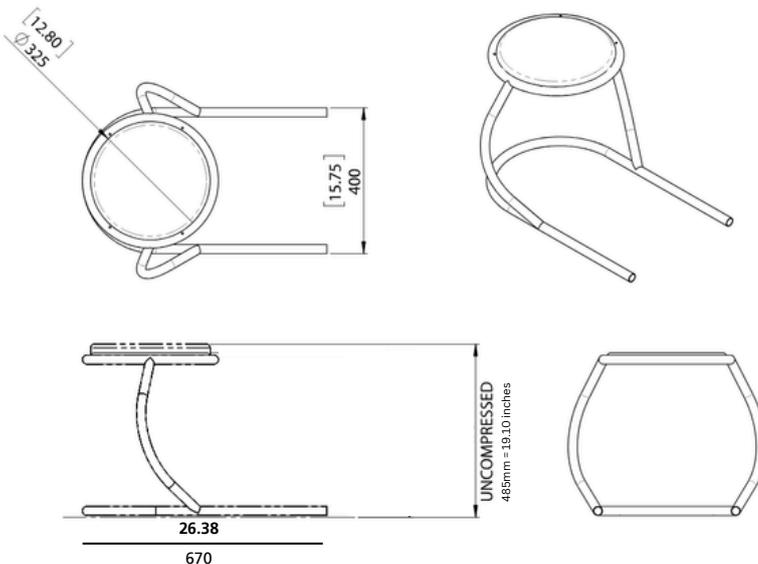

This stool includes feet for stability. Optional stool handles give support to those with limited mobility, when standing and sitting.
