- Range of Wudu Signage

WuduMate

Modular Disabled

Product Code WM-MOD-DIS

Elegant footbath for wudu, the Muslim pre-prayer ablution ritual, specifically designed to be installed without a seat for standing wudu. If the unit is set into the floor, wheelchairs can be wheeled onto the unit. The WuduMate Modular Disabled can be fitted singly or in a series with other WuduMate Modular models, thereby accommodating if required, a combination of standing, seated and wheelchair-based users.

Easy to maintain and clean, the WuduMate Modular Disabled is suitable for high-usage environments, including mosques, Islamic centres, commercial buildings and homes.

The WuduMate Modular Disabled comes complete with back panel, fixings and a choice of WuduMate wall-mounted taps. Taps with wrist blades or sensors are available for ease of use by those with disabilities such as blindness or arthritis. Site appropriate grab rails can also be provided for support.

Colour White

Material Sanitary-grade reinforced acrylic

Weight Net (24kg) 52.91lbs, Gross (26kg) 57.32lbs

Carton Size (mm L965 x W720 x H 740) inches L37 x W36.42 x H21.26

Special Notes If wheelchair access is required, the unit must be positioned within the floor slab. BIM files and installation guide available from <https://wudumate.com/about-us/downloads/>

Alternative WuduMate Models The WuduMate Classic, Compact and Mobile can also be configured with some level of accessibility for disabled people.

Unit set into the floor for wheelchair access

All measurements in (metric) & imperial
