## ALL WUDUMATE MODELS CAN BE CONFIGURED WITH SOME LEVEL OF ACCESSIBILITY FOR DISABLED PEOPLE

### WuduMate® COMPACT

CSA CERT. NO: 301439

The WuduMate Compact's stool can be pushed aside to provide wheelchair access, with grab bars being provided for support, and taps with wrist blades or sensors for ease of use for arthritic users. WuduMate uniquely offers optional handles to the stool, providing extra stability and ease of access for an older or less mobile user.

WM COMPACT WITH STOOL WHICH CAN EASILY BE PUSHED ASIDE FOR WHEELCHAIR ACCESS

WM COMPACT WITH GRAB BARS

WM COMPACT WITH STOOL REMOVED FOR WHEELCHAIR ACCESS

### WuduMate® CLASSIC

CSA CERT. NO: 301439

The WuduMate Classic relies on wheelchair users dismounting from the wheelchair to the WuduMate as one would a DOC M toilet, with grab bars being provided for support, and taps with wrist blades or sensors for ease of use for arthritic users.

WM CLASSIC WITH GRAB BARS AND ROOM FOR WHEELCHAIR ACCESS

WM MODULAR DISABLED WITH SENSOR TAP

### WuduMate® MODULAR

The WuduMate Modular Disabled is specifically designed to be installed without a seat enabling wheelchairs to be wheeled onto the unit, with grab bars being provided for support, and taps with wrist blades or sensors for ease of use for arthritic users.

Use a 1/4 turn  
swan neck basin tap  
in your wash rooms

MATERIAL	DIMENSIONS
PORCELAIN	L400 x W540 x H790mm

# WuduMate®

## HYBRID TOILET

CAN'T CHOOSE BETWEEN A SQUAT  
AND A WESTERN STYLE TOILET?

The WuduMate Hybrid Toilet, featuring both a rim with two foot positions together with a conventional toilet seat, can be used as an Eastern-style squat toilet as well as a seated Western-style toilet. It is simple to replace a Western-style toilet with the Hybrid toilet, as the outlet pipe for the model connects to a P trap fitting.

# WuduMate®

## TURKISH STYLE TOILET WITH INTEGRAL BIDET SPRAY

In many countries it is customary to have a bidet spray inside the bowl of the toilet, which is operated by an on/off isolator valve located conveniently to hand on the side of the unit.

- The built in nozzle keeps the water inside the bowl thus reducing water splashing on the floor, which can be unpleasant for other users and a potential slip hazard
- The built in nozzle is more reliable than a hand-held spray
- The built in nozzle, unlike a hand-held spray, cannot be stolen

# WuduMate®

## PERSONAL

FOLDABLE, POCKET-SIZED 'LOTA' FOR PERSONAL WASHING (ISTINJA), IDEAL FOR USE WHEN TRAVELLING AWAY FROM HOME

- Hygienic, discreet and dignified alternative to using bottles and cups
- Folds neatly into a compact, self-sealing pouch
- Holds 0.6L of water
- Must-have product for your congregations' pockets and/or bags especially when going on Hajj or Umrah

## BIOZONE

DON'T DISGUISE ODOURS WITH SCENT,  
RATHER KILL THE BACTERIA RESPONSIBLE  
AT SOURCE - INCLUDING FLU AND COVID

KILL THE BACTERIA IN YOUR PRAYER HALL CARPET TO HELP PROTECT  
YOUR CONGREGATION DURING SALAT

## ANTI-SLIP MATTING

AVAILABLE IN A RANGE OF COLOURS

Made from strong, non-porous PVC sections with channelled under bars, our matting will automatically self-drain even the largest amounts of water. Therefore, its design provides superior performance in wudu areas and helps prevent water from entering the prayer hall.

WuduMat by Heronrib is available in 10m rolls in widths of 500mm, 1m or 1.2m or cut to specific lengths with a slight surcharge. WuduMat is also available shaped to fit the WuduMate Compact and Classic.
